

1. **Calculation of Merit Index (HONS)**

- A) For students from WBCHSE, Merit Index = Average of best 5 subjects + Marks in respective honours subject.
- B) In case of other than WBCHSE (CBSE , ICSE etc.) Average of best 4 subjects + Marks in respective honours subject.
- C) **Session Gap:** For admission to the Under Graduate Course, there should not be a gap of more than 3 years between the year of Higher Secondary Examination and the year of admission to Under Graduate Course of study. In respect of calculation of marks for admission to Under Graduate Course a deduction of 1% percent per year from the marks of H.S. Subject would be made in case of candidates passing out in previous years.
- D) Calculation for merit list is done based on the eligibility criteria and guidelines as per Bankura University's circular regarding admission to UG courses.
